KING SAUD UNIVERSITY - ?????? ?????? The Purpose of Management Review Procedure is to enable King Saud University - eTransactions & Communication Deanship to review its documents at planned intervals (at least once a year) to ensure its continuous suitability, adequacy and effectiveness. MHRA GMP Inspection Deficiency Data Trend 2016 Management Review, however there was insufficient detail describing this process and the process was not risk based as the Management Review was only carried out once a year. Next Steps for Risk Stratification in the NHS This process involves analysing population data to identify the incidence of low-quality, high-cost, poor-experience events that might be amenable to preventive care. The next step is to conduct an ethical review, perhaps based on the framework published by the World Health Organisation. Risk stratification programmes should be evaluated using a valid comparator group. A pre-post study does ...
