The purpose, organization and guidelines for SteinTalk are contained here. To include photos in your posts, refer to How to Place Photos into SteinTalk.. If you are offering item(s) for sale, please use the BUY & SELL forum. Guitar Chord Progressions - lessons.com What are Guitar Chord Progressions? Few chords, no matter how pretty they sound in isolation, are played that way in actual songs. It's much more common for songs to group several chords together into guitar chord progressions to develop an interesting sound. They're part of the language of music, the proverbial sentences to the words that we know as individual chords.
