Beginning to use a narrative approach in therapy Narrative questions put people's views, preferences, desires, hopes, dreams and purposes in the centre of the conversation. Having identified that this is what I wanted to do more of in my own practice, I also tried to appreciate and notice those ways in which I had already found to be decentred and yet influential in my work as a therapist. I reflected on the times and ways in which I had ... A Helpful Guide to Essay Writing! - web.anglia.ac.uk The guide is partly based on material gathered and adapted from a range of publications listed in the further reading section at the end. Part 1 concentrates on structural and organisational aspects. Part 2 offers guidance on style and clarity in essay writing. The guidelines should be taken as just that. There is no rule, for example, that says you must plan an essay before writing it. Some ...
