California through Native eyes : reclaiming history. [William J Bauer, Jr.] -- "Most California histories begin with the arrival of the Spanish missionaries in the late eighteenth century and skip to the Gold Rush of 1849. Noticeably absent from these stories are the ... California through native eyes : reclaiming history in ... Historian William Bauer seeks to correct that oversight through an innovative approach that tells California history strictly through Native perspectives. Using oral histories of Concow, Pomo, and Paiute workers, taken as part of a New Deal federal works project, Bauer reveals how Native peoples have experienced and interpreted the history of the land we now call California. Combining these ...
