Lecture notes and recordings for ECE4710/5710: Modeling, Simulation, and Identification of Battery Dynamics To play any of the lecture recording files (below), QuickTime is required. Critical point (thermodynamics) - Wikipedia In thermodynamics, a critical point (or critical state) is the end point of a phase equilibrium curve. The most prominent example is the liquid-vapor critical point, the end point of the pressure-temperature curve that designates conditions under which a liquid and its vapor can coexist. Software engineering - Wikipedia Software engineering is the application of engineering to the development of software in a systematic method. Notable definitions of software engineering include: Department of Biomedical Engineering The Department of Biomedical Engineering offers the Master of Science degree in Biomedical Engineering and the Doctor of Philosophy degree in Biomedical Engineering.
