Chapter 12 Rational Expressions And Equations Chapter 12: Rational Expressions and Equations - Google The Rational Expressions and Equations chapter of this Glencoe Algebra 1 Textbook Companion Course helps students learn essential algebra lessons of rational expressions and equations. Chapter 9: Rational Expressions and Equations - Math Class chapter's first two lessons and solve equations involving rational expressions. In general, the first step is to multiply both sides of the equation by the least common denominator of all the denominators. The result is to rewrite the original equation as an equation with no denominators; the new equation can be solved using familiar methods for solving linear or polynomial equations ...
