**Characteristics Of Games Mit Press** - [Free] *Characteristics Of Games Mit Press* [PDF] [EPUB] *Characteristics of Games* offers a new way to understand games: by focusing on certain traits—including number of players, rules, degrees of luck and skill needed, and reward/effort ratio—and using these characteristics as basic points of comparison and analysis. These issues are often discussed by game players and designers but seldom written about in any formal way. This book fills that gap. By emphasizing these player-centric basic concepts, the book provides a framework for game ... - Sun, 14 Jul 2019 01:46:00 GMT PDF Download *Characteristics Of Games Mit Press* Free *Characteristics Of Games* (MIT Press) Books *Characteristics of Games* offers a new way to understand games: by focusing on certain traits -- including number of players, rules, degrees of luck and skill needed, and reward/effort ratio -- and using these characteristics as basic points of comparison and analysis.
