And they definitely have different standards of hygiene and appropriateness than most of us Westerners do. I hope you enjoyed your time there anyway! How to Deal with Culture Shock in China - ChinaHighlights Home Chinese Culture Culture Shock "Where did he go to get our food, China?" It is not only distance that sets China apart from many other countries, it is also the culture, and because of this, culture shock is a real and overwhelming part of visiting this ancient country. Chinese culture is a set of core ... - ITSP | Warrington Culture shock is a normal human reaction to the new and unknown. Successful global marketers strive to comprehend human exper\?ence from the local point of view. As they endeavor to understand cultural factors, outsiders gradually become insiders and deve?lop cultural empathy. \
