The marks used in the years of the China Trade Period (c. 1775 - 1880) on Chinese silver made for the Western market are often mistaken for the British Hallmarks they were intended to copy. Their resemblance to the pseudomarks found on American coin silver adds further confusion to the mix. Below are some illustrated examples with attributions and rough time frames. Also illustrated are a number of later marks from makers whom catered to the Western market. Chinese Export Silver Marks III - Online Encyclopedia of ... China Trade Silver The marks used in the years of the China Trade Period (c. 1775 - 1880) on Chinese silver made for the Western market are often mistaken for the British Hallmarks they were intended to copy.
