Chinese Maritime Activities and Socioeconomic Development ... This study shows that from 2100 B.C. to A.D. 1900, the Chinese were as enthusiastic about and capable of seagoing activities as other peoples. Evidence shows that economic interests provided Chinese sailing-related activities with a lasting impetus, and the private sector played a central role. However, maritime activities in China raise at least two paradoxes: the activities were incompatible ... Chinese maritime activities and socioeconomic development ...
