Stanford Libraries' official online search tool for books, media, journals, databases, government documents and more. Colonialism : an international social, cultural, and ... As this encyclopedia's preface recognizes, colonialism is nearly as old as human history itself. The scope and meaning of the term, variously defined by historians, sociologists, and others, are approached by these volumes in more than 600 entries, which portray modern colonialism as a world phenomenon since about 1400 CE. Colonialism [3 volumes]: An International Social, Cultural ... The editors have attempted to include unbiased, factual views of the social, cultural, and political, which makes this work a valuable source and reference tool, especially for high school and public libraries."
