Color and Light in Man-made Environments??? (0) Color and Light in Man-made Environments: Amazon.co.uk ... Color and light in Man-Made Environments Frank H. Mahnke Rudolf H. Mahnke Color and light play key though generally unrecognized roles in our lives. Despite the decades of research on the subject, we are often unaware that anxiety, stress, visual disorders, and a host of other problems may actually be caused by a poorly designed environment. The gap between color research and design application has been so wide that the use, for example, of white in interiors reached epidemic proportions ...
