Contemporary art is the term used for art of the present day. Usually the artists are alive and still making work. Contemporary art is often about ideas and concerns, rather than solely the aesthetic (the look of the work). Artists try different ways of experimenting with ideas and materials. Contemporary artists use whatever they think illustrates their idea most appropriately. Nowadays ... Colour | The MIT Press It establishes color as a central theme in the story of modern and contemporary art and provides a fascinating handbook to the definitions and debates around its history, meaning, and use.
