Colorindex-2-pdf Colour Index 2: Amazon.co.uk: Jim Krause: 9780715328484: Books This new companion to the best-selling, "Colour Index" offers even more colours and fresh new combinations of colours, making it easier than ever to create harmonious palettes for any project. Introduction to the Colour Index™ | Colour Index The Colour Index™ uses a dual classification system. The prime descriptor, in that it is the one most commonly used in discussions by colorant users and is the one easier to remember, is the Colour Index™ Generic Name (often abbreviated to CIGN). The other descriptor is the Colour Index™ Constitution Number (often abbreviated to CIGN) which is chemical-structure related.
