We elaborate on the main technologies of CI: neural networks, fuzzy sets or Granular ... Computational Intelligence: An Introduction | Request PDF To update the weights during training process of the ANN, different algorithms have been used previously. For example, reference [42] include Gradient Descent Back Propagation algorithm. Download Computational Intelligence: An Introduction, 2nd ... Computational Intelligence: An Introduction, Second Edition offers an in-depth exploration into the adaptive mechanisms that enable intelligent behaviour in complex and changing environments. The main focus of this text is centred on the computational modelling of biological and natural intelligent systems, encompassing swarm intelligence, fuzzy systems, artificial neural networks, artificial immune systems and evolutionary computation.
