Confronting the Occupation is a study of work, education, political-national resistance, family, and community relations in a Palestinian refugee camp under conditions of Israeli military occupation. It is based on extended field research carried out by an Israeli sociologist-anthropologist in Dheisheh camp, south of Bethlehem, between 1992 and 1996. Emphasis is placed on how men and women, families, and the local refugee community confront the occupation regime as they seek livelihoods ... Confronting the Occupation: Work, Education, and Political ... Confronting the Occupation is a study of work, education, political-national resistance, family, and community relations in a Palestinian refugee camp under conditions of Israeli military occupation. Book Review: Confronting the Occupation: Work, Education ... in this journal Reaction, Experimentation, and Refusal: Palestinian ... Drawing on long-term research with Palestinian refugees across the Middle East, this essay explores how they confront the future from a depleted present. It considers two instances of future encounters, to explore different modes of confrontation: reaction, experimentation, and refusal. These modes of encounter reveal the different temporalities and geographies that are key to the experience ... Confronting the Occupation: Work, Education, and Political ...
