**Diesel Mechanic General Knowledge Question Paper** - [Free] Diesel Mechanic General Knowledge Question Paper [PDF] [EPUB] I have a B00A0:68 code per the dealership. They stated I needed a new OCSM so I purchased one and replaced it but the code is still on. I don't have a scanner that will read the codes or clear them but I unhooked the battery for over an hour to try and reset but the light is still on. - Tue, 08 Oct 2019 02:42:00 GMT Weekend Unthreaded « JoNova - joannenova.com.au
