Basic GTD: Control your life in 5 steps - FacileThings Basic GTD Basic GTD: Control your life in 5 steps. AUTHOR: Francisco Sáez Normally we go through a five-stages workflow method to deal with our work. We collect things that catch our attention, we process what they mean and we organize the results, which we review frequently to choose which thing to do next. Although it is an easy and natural method, you need to consider a couple of things if ... GTD 101: The Beginner's Guide To Getting Things Done Getting Things Done (GTD) is one of the most popular productivity systems out there today, and with good reason. It's a very effective system for clearing your mind of all inputs so you can focus on the things that are truly important, which in turn allows you to do your best work and get more done. Getting Things Done | PDF Book Summary | By David Allen Getting Things Done outlines a process called the "5 Stages of Mastering Workflow" which can be shown visually by the following model. For this summary I will summarise each stage of this process and define the key steps that need to occur at each stage in order to get things done. Here we go...
