"Elizabeth Johnson's Quest for the Living God extends her generous intellectual hospitality to an intriguing array of contemporary Christian doctrines of God, welcoming voices from all over the theological map and providing a common table around which they may hear one another out and be heard with respect. Quest for the Living God: Mapping Frontiers in the ... Quest for the Living God: Mapping Frontiers in the Theology of God. The first chapter describes Johnson's point of departure and the rules of engagement, with each succeeding chapter distilling a discrete idea of God. Featured are transcendental, political, liberation, feminist, black, Hispanic, interreligious, and ecological theologies, ending with the particular Christian idea of the one God as Trinity.
