Read 7 reviews from the world's largest community for readers. This classic work chronicles how New York, London, and Tokyo became ... Read 7 reviews from the world's largest community for readers. The Global City: New York, London, Tokyo by Saskia Sassen ... The Global City: New York, London, Tokyo by Saskia Sassen While the book is undoubtedly oriented around cities, very little of it is about the structure or sociology of urban places. The bulk of the book is about the global financial markets' relationship to these cities and it's packed with statistics — not the most fun read ever. Sassen, S.: The Global City: New York, London, Tokyo ... This classic work chronicles how New York, London, and Tokyo became command centers for the global economy and in the process underwent a series of massive and parallel changes.
