Basic self-defense techniques are extremely useful for both adults and children. Attackers consider children easy targets and they will be surprised when he or she will fight back. Make sure you teach your entire family about self-defense techniques and practice them as much as possible. Practice will help you react properly in a real assault situation. 9 Self-Defense Strategies Kids Can Use Against Bullies But a large part of self-defense has nothing to do with hitting or striking another person. It involves being aware of your surroundings, listening to your gut, leaving before a problem erupts, using a confident voice and carrying yourself with confidence. Here are nine strategies kids can use to defend themselves against school bullies. 16 Surprisingly Simple Self-Defense Techniques | Cracked.com Look, we'll break it to you easy: You don't have enough awesome James Bond moves in your hand-to-hand combat arsenal. And while we absolutely don't advise you use these on anyone who isn't seriously attacking you, we're hard-pressed to believe that anyone would f**k with you if you practiced these on those little shits at the elementary school.
