**The Psychology Of The Body** - [Free] *The Psychology Of The Body* [PDF] [EPUB] Mirroring generally takes place unconsciously as individuals react with the situation. Mirroring is common in conversation, as the listeners will typically smile or frown along with the speaker, as well as imitate body posture or attitude about the topic. Individuals may be more willing to empathize with and accept people whom they believe hold similar interests and beliefs, and thus mirroring ... - Thu, 17 Oct 2019 07:53:00 GMT Department of Psychology | University of Northern British ...
