Thought Catalog, a crowdsourcing website, contains an article that defines the rules of "girl code." Girl and Guy code is the idea that there are guidelines that a girl or guy must follow in order to be an ideal friend. Examples of Household Rules for the Entire Family Your household rules should be specific to your family's needs and values. While it might be important to one family to say, "No jumping on the furniture," another family may want a rule that says, "Try at least two bites of everything on your plate." Top 10 Girl Code Rules | Thought Catalog Of course, girl code comes with a long set of both written and unwritten rules, but I think some rules are more important than others, so I insist that we go over the top 10 girl code rules just to make sure we're all keeping in line, and having each others' backs because Lord knows, we could use it.
